Mayan Urban Spa, a Door to Paradise

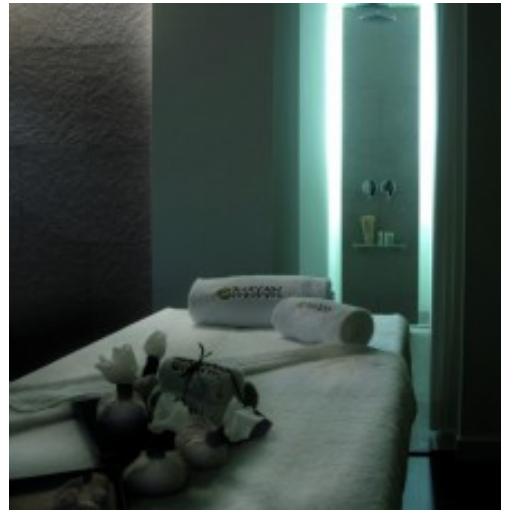

JAZMÍN CASTRESANA - 23/04/2010

Doors to Paradise...

Leaving behind the era of ostentatious and un-pure Spas, a new luxury urban spa has arisen in Barcelona, situated in the city's upper-class area. Mayan Urban Spa hits the scene as the new CHIC place to relax and revisit escapades to the Mayan Riviera.

Mayan Urban Spa fuses minimalist style with ancestral Mayan Culture, creating a wellness and relaxation locale of high standing.

With products like Natura Blissè, Mayan Urban Spa's atmosphere breathes style and class; a place reserved for the most demanding lovers of beauty and wellness.
