Bridal Veil Urban Spa in Mayan

JAZMÍN CASTRESANA - 23/07/2010

Is short for the Big Day arrives and you look radiant. Urban Spa in Mayan prepare couples for relaxed look perfect and your Wedding Day. Let us advise and consent for the special packs for brides and grooms.

It is important to start with a deep cleansing facial and then go to a specific treatment, the most suitable for your skin type. And the day before the wedding, of course you have to make an instant treatment that will make you look beautiful in your ceremony.

The best treatment of beauty is to be in love but not enough to look perfect skin!

We also take care of the body, starting with an exfoliation to remove dead cells and moving into a good hydrating your skin will look soft, smooth and bright. Finally, a ritual of comfort and relaxation will help relieve tension and eliminate those features of fatigue.

And of course a spa pedicure and a manicure. The hand is the main protagonist at the time of receiving the ring.

And do not forget the groom! Encourage them to also prepare for that special day.
