## Fernanda Lima attends the presentation of the new edition of Barcelona Deluxe on the Feast of "Exclusive Cocktails".

Barcelona deluxe presented its spring issue last Friday April 24 at the terrace of the Hotel Condes de Barcelona, in Paseo de Gracia - as Exclusive Sponsor of Cocktails party-a concept unique. The exclusive views of Barcelona, with a short Pedrera and the Sagrada Familia on the horizon, provided a suitable framework for an exquisite experience.

The privileged few who attended enjoyed the terrace with a selection of cutting-edge cocktails, made with premium products such as vodka by Roberto Cavalli, Geneva Hendrich's, Maker's Mark Bourbon, KKO (the Cocoa distillate Mascaro & Enric Rovira) or Jimador and Herradura tequila, the world's most awarded, and Ron Brugal Extra Añejo.

Together they achieved a memorable evening.
