Christoph Kraemer - 10/04/2010

The Grand Prix of Spain in Barcelona, without a doubt, is one of the highlights of the F1 season. This year is shaping up to be more exciting than ever, with Fernando Alonso at long last behind the wheel of a Ferrari and vying for the title, and Michael Schumacher's highly anticipated return.

The team of TimeSavers - Quality Personal Concierge, Barcelona's premium concierge service, is an expert in organising tailor-made experiences and ensuring that you will never forget your stay in the Catalan capital. Are you still looking for F1 tickets? TimeSavers will get them. Anything from normal tickets to VIP passes or Private Boxes, TimeSavers has the best contacts in Barcelona to track down exactly what you're looking for. And that's not all. Yet the Formula 1 experience does not begin or end at the track. Everything from organising a helicopter to avoid traffic jams, finding you the perfect hotel, recommending the city's finest spas or sending you a masseuse to help you unwind after a stressful day, reserving a table at today's hippest restaurant and providing you with a personal shopper to show you around the most fashionable shops, to ensuring that you have tickets to the most exclusive parties. TimeSavers' mission is to turn any desire you may have into a reality, so that you can savour every moment in Barcelona to the fullest.
