Welcome Aboard Barcelona deluxe

Estefania Portal - 09/04/2010

Barcelona, April 9, 2010.- Yesterday at dusk, dock F30 in Barcelona's Port Forum played host to the presentation of BARCELONA Deluxe's Spring edition, along with the launch of MADRID Deluxe's inaugural number. The event was held in collaboration with the company Sail&Charter, which presented its ship Karya, a 30-metre long Turkish schooner and an exclusive site on which to hold your high-sea events.

The event boasted a highly select atmosphere of top Barcelona names, who ventured to the dock to enjoy an excursion aboard the schooner Karya, an excellent vantage point to watch the setting sun. All guests, following the quick jaunt, were treated to an exquisite and original cocktail courtesy of a number of collaborators: catering company Olé Mallorca, Royal Mango, who provided natural mango sorbets, the restaurant SOBA, who prepared sushi there on the spot, an authentic and exotic curry-based Sri Lankan appetiser created by Mount Lavinia,... an exquisite blend of tastes and textures accompanied by Oliver Conti wine, Vilarnau cava, Estrella Damm beer, Bacardi Mojito and Fizz Bartenders' creative cocktails, who surprised us once again with their delectable raspberry caipirinhas.

A host of other collaborators also showed up to celebrate the event, including Becara, who was in charge of livening up the atmosphere with an exquisite décor, Mayan Urban Spa, Bali Spirit, Veral Café, Sha Wellness Spa, GT Club, Fovinco Cosmetics, Toté Vignau and many more.
